Avoid the “Three Cs”!

1. **Closed spaces** with poor ventilation.
2. **Crowded places** with many people nearby.
3. **Close-contact settings** such as close-range conversations.

One of the key measures against COVID-19 is to prevent occurrence of clusters. Keep these “Three Cs” from overlapping in daily life.

The risk of occurrence of clusters is particularly high when the “Three Cs” overlap!

In addition to the “Three Cs,” **items used by multiple people** should be cleaned with disinfectant.
