

Comprehensive Special Zones

Concentration of National and Regional Policy Resources in Special Zones with High Potential for Realizing Pioneering Initiatives

- ✓ Tailor-made, integrated support for comprehensive and strategic challenges in selected regions (regulatory exceptions, tax, fiscal and financial measures)
- ✓ Promoted by using the “National and Local Councils” established in each Comprehensive Special Zone (CSZ) in order to promote collaborative projects between national and regional authorities.

Two types of CSZ:

For International Competitiveness

Formation of industry clusters to serve as economic growth engines

Environment & next-generation energy

Agriculture

R&D

International ports

Biotechnology & life science

Business bases In Asia

International distribution

MICE

For Local Revitalization

Enhancement of regional competitiveness through local revitalization initiatives driven by maximum utilization of regional resources

Environment & next-generation energy

Education & child rearing

Financial & social businesses

Medical care, nursing care, health

Tourism & culture

Agriculture

Biomass

Distribution & transportation

Special Measures & Support Measures

Regulatory Exceptions

- ✓ Implementation of special measures in limited zones with responsibility of local government
⇒ Breakthroughs for full-fledged development of lifestyle innovation, green innovation and other progress.
- ✓ Prefectural or Municipal ordinance will come to determine matters concerning regional public affairs currently provided for Cabinet Order and Ministerial Ordinance
⇒ Breakthroughs for initiative accelerating reforms in regional authorities.

Tax Support

For International Competitiveness

- ✓ Corporate tax reductions (selections from investment tax credits, specially recognized depreciation, and taxable income deductions)
⇒ Formation of industry cluster bases for international competitiveness

For Local Revitalization

- ✓ Taxable income deductions for private investors targeting the relevant regional projects for local revitalization.
⇒ Concentrating investment by ambitious local capital in the “New Public Commons.”

Fiscal Support

- ✓ High-priority use of relevant ministerial budgets. Flexible distribution of coordination cost for development of Comprehensive Special Zone (2016 budget : ¥2.5 billion)

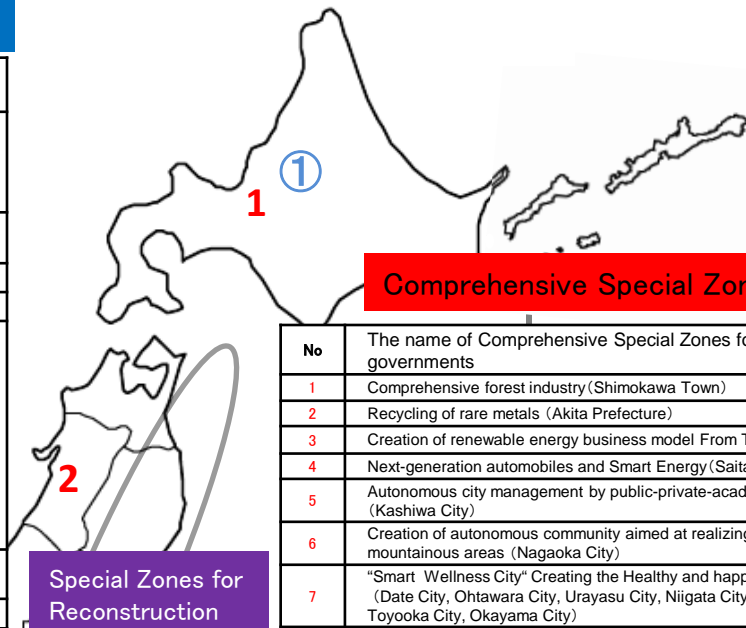

Financial Support

- ✓ Interest-rate subsidy system (within 0.7% for 5 years) (2016 budget : ¥670 million)

Comprehensive Special Zones Designated Area

Comprehensive Special Zones for International Competitiveness

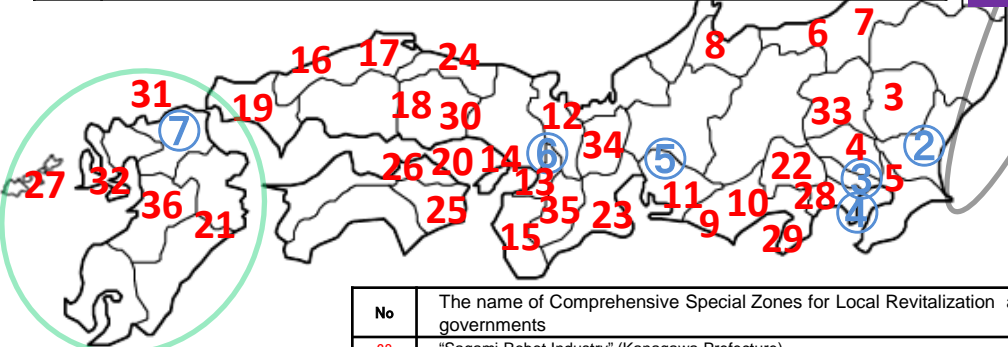

No.	The name of Comprehensive Special Zones for International Competitiveness Development and local governments
①	"Hokkaido Food Complex" (Hokkaido, Sapporo City, Hakodate City, Obihiro City, Ebetsu City, Otofuke Town, Shihoro Town, Kamishihoro Town, Shikaoli Town, Shintoku Town, Shimizu Town, Memuro Town, Nakasatsunai Village, Sarabetsu Village, Taiki Town, Hiroo Town, Makubetsu Town, Ikeda Town, Toyokoro Town, Honbetsu Town, Ashoro Town, Rikubetsu Town, Urahoro Town)
